GENERAL RULES OF THE KARNES COUNTY YOUTH SHOW (LAST AMENDED MAY 26, 2020)

1. The Board of Directors reserves the right to interpret these rules and regulations and to settle all matters, questions and differences in regard thereto. They also reserve the right to amend the rules as the need arises.
2. In order for an exhibitor to be eligible to participate in the Karnes County Youth Show, the exhibitor must live in Karnes County and/or attend school at either Runge, Kenedy, Falls City, or Karnes City independent school districts. Additionally, each exhibitor must be a bonafide 4-H club, FCCLA club, or FFA chapter member (must be an active member abiding by the bylaws of the organization) OR be currently enrolled in a home economics class. Failure to comply may result in denial of entry.
3. One county/local show a year. You must choose to enter the show in the county in which you live OR the county in which you attend school.
4. The Board of Directors are in no way liable for any loss or damage to property or damage to exhibit or injury to exhibitors or spectators. No claim for injury to any person or property shall

be assessed nor suit instituted. Anyone who vandalizes, destroys, or takes someone else's property will be banned from the current year's Youth Show and any future Karnes County Youth Shows.

5. All exhibitors are responsible for abiding by the printed rules of the Karnes County Youth Show. Any exhibitor who violates any of the show rules may forfeit all privileges, premiums and ribbons or be subject to such other penalties as the KCYS Board of Directors may order. All exhibitors are requested to read these rules carefully and not enter the show unless they can wholeheartedly abide by the rules. An exhibitor who violates any of the show rules may forfeit all privileges, premiums and ribbons or be subject to such other penalties as the Board of Directors may order.

6. Rules infraction questions will have a grievance committee to do research. The Grievance Committee consists of the President, the Advisor of the Exhibitor, and the Division Superintendent. The Executive Board will make the final decision. All grievances brought to the Executive Board must clearly explain the issue in writing and be accompanied by a \$100 deposit. If the grievance is not upheld, the deposit is forfeited.

7. Competent judges, graders, classifiers, and sifters will be elected by the Karnes County Youth Show Board. Their decisions shall be final.

8. There will be Junior and Senior age categories in the Livestock and Homemaking divisions. Exhibitors 14 years of age and older by January 1 of the show year are considered to be Seniors.

9. Applications for entries in the Show must be made on entry forms which can be obtained from the Family and Consumer Sciences Teacher, 4-H Club Manager, or Agricultural Science Instructor. These forms must be filled out completely and signed by the applicant and parent/guardian. All entry forms and fees are due on Monday, November 2, 2020, and must be submitted to the 4-H Club Manager, Family and Consumer Science Teacher, or Agricultural Science Teacher. The County Extension Agents, Family and Consumer Science Teachers, and Agricultural Science Teachers will turn in all entry forms, entry fees, and summary sheets to the Show Board Treasurer at the following Show Board meeting. No refunds of entry fees. Any division changes made after the entry deadline will incur a \$40.00 fee per division change, provided all validation requirements have been met. A division change can also be considered an entry form error (ie: marking the wrong item on the original entry form submitted by the due date). Late entries will be accepted until the day of the show at \$250.00 per entry provided all validation requirements have been met. Show management may turn away any late entry without explanation. Late entries are defined as no entry form turned in or only entered one item and wants to show additional items. Two copies of the exhibitor summary sheet will be made. One copy needs to go to the show and one copy goes to the division chairman. If a

check for entry fees is returned by the exhibitor's bank for any reason, the exhibitor will be notified and will have seven days to pay the money owed in cash, money order, or cashier's check PLUS an additional \$25 fee. If payment is not completed within seven days, the exhibitor's entries will be disqualified. If an exhibitor has a returned check for entry fees for two consecutive years, that exhibitor will be required to pay entry fees by cash, money order, or cashier's check for the duration of their show career.

10. In order to enter the show ring and/or sale ring a student must comply with state law (i.e. Texas Education Code). Exhibitors suspended under Texas Education Code 33.081 "No Pass, No Play" or are enrolled in DEAP are ineligible to participate in any Karnes County Youth Show Activity, Event or Competition. If an exhibitor is ineligible at any time throughout the duration of the Karnes County Youth Show, from Tuesday – Saturday, that exhibitor is ineligible for the entire show. Any project owned by the ineligible exhibitor is ineligible for competition.

11. Each exhibitor must keep their show space in good order at all times (includes keeping troughs, feed, etc., out of the aisles). Failure to do so could result in disqualification. Exhibitors must participate in a designated set-up date prior to each annual show AND must participate in a designated clean-up date to clean and store all show equipment used for the event (usually the day following the conclusion of the show). Failure to attend both events could result in a fine of up to 10% of an exhibitor's proceeds. Viable excuses will be accepted but must be submitted to the Board of Directors prior to each designated date.

12. No Ag Science Teacher, County Extension Agent or Family and Consumer Sciences Teacher can be a division chairman.

13. Any decision concerning rules in a division must be made by the division committee. All committee lists must be turned in at the December Show Board meeting.

14. Each exhibitor will be provided a list of buyers who purchased their auction lot(s) and those who contributed bumps and their addresses. Each exhibitor must write a thank-you note to each buyer and/or bump contributor and present each note to their club/chapter advisor. Once the advisor has verified completion, the exhibitor may receive his/her check for total auction proceeds. Each exhibitor is responsible for providing his/her own note cards, paper, envelopes, and postage. The lists will be made available to each club/chapter advisor for distribution to their exhibitors not later than 60 days after the show is completed. Once received by the advisor, the exhibitors have 60 days to complete their thank-you notes or risk forfeiting their auction proceeds.

15. Any outstanding money owed to the Karnes County Youth Show by the exhibitor or their family will be deducted from the next check that the exhibitor receives from the Karnes County Youth Show.

16. VIOLATION OF RULES: Any exhibitor, parent, or other individual assisting the exhibitor who violates the rules of the show, is unruly or belligerent towards any board member, or conducts themselves in a manner requiring disciplinary action or law enforcement involvement can disqualify all said exhibitor's entries, thus forfeiting all prizes and premiums. This action could disqualify said exhibitor from participating in future Karnes County Youth Shows. This includes unethical or inhumane treatment of exhibitor's animals. Final decision will be determined by the KCYS Board of Directors.

17. All animals must arrive on the show barn grounds by the designated times for their specific species as listed on the schedule.

JUNIOR PREMIUM AUCTION RULES

1. All eligible market livestock will participate in a premium auction and will sell by the head.
2. Each exhibitor may sell only one non-champion item in the auction. If an exhibitor has a champion food item and a non-champion animal, they must make a choice and sell only one. It is the exhibitor's responsibility to inform the division superintendents which item will be sold, immediately after the results of those divisions have been released. The next place animal or next placing food division rosette winner will be brought into the sale depending on which item is chosen. This auction item substitution will not go beyond the white rosette in food classes. No exhibitor will be allowed to sell a champion food item and a champion animal.
3. All Grand and Reserve Champion Animals must sell. All Champion Food items must sell with the following exceptions.
 - a. If an individual has 2 Grand Champion Food Items, he/she may sell only one and must select the one he/she wants to sell.
 - b. If an individual has a Grand Champion Animal and Food item, the animal must sell and the food item will not sell at the auction.
 - c. Conditions in rule 2 above apply.
4. The auction will be limited with a fixed number of auction lots. The auction will be limited to 199 lots; 177 livestock lots and 22 food lots. The auction breakdown will be as follows:
 - a. Homemaking - 22 sale lots
 - b. Livestock – 177 sale lots will be assigned after all animals are checked in at the show. Livestock sale lots will be based on the percentage for each division in relation to the total number of market animals at the show. Take the Grand and Reserve out of each division before the percentages are taken for final sale slot allotments.

In determining the individual sale slots of the total slots allotted for the steers, hogs, and lambs, a percentage will be applied to the total slots allotted for each species based on the number shown in each breed compared to the total number of head shown in that species.

For example, if a total of 100 steers are shown, and we have 20 British, 30 ABC, and 50 exotic, then 20% of the allotted steer slots will be British, 30% will be ABC, and 50% will be Exotic. If the steers get 50 sale slots, then 10 British, 15 ABC, and 25 Exotic sell.

If one or more of the divisions does not sell their maximum number of allotted sale lots, the remaining lots from those divisions will be reassigned to those divisions that have exceeded their maximum number of sale lots. These extra sale lots will be reassigned to those divisions in relation to the number of animals exhibited.

5. There will be an 8.75% commission charge on all 199 sale lots including bumps. There will be a 10% operating expense charge on all food items sold to the general public and a 10% operating expense charge on all handicraft items sold to the general public.

6. In case an exhibitor has more than one project in the market livestock division, the selection of sale animals must be made no later than 1 hour after the judging of market classes is completed or the division superintendent will order the sale of the highest placing item.

7. Reserve Champion items cannot receive more than the Grand Champion items nor can any other placing item receive more than the Reserve. This excludes add-ons (bumps) that may be given to an exhibitor.

8. In the Junior Premium Auction, all champion animals will sell first and all other animals and food items will be sold by the highest placing throughout the sale with the exception of the items in the sale that earned their sale spot by vacancies in other divisions. The exhibitors receiving the extra sale lots will not be added in the sale sheet in their respective placing order but will be added at the end of the sale sheet after all animals and foods have been placed in the sale sheet per the percentages originally assigned.

9. No breeding animals will be sold through the Junior Premium Auction.

10. Sifted market livestock, poultry, and homemaking entries are not eligible for the Junior Premium Auction.

11. Exhibitors must be present with their project when being sold in the sale ring unless the Division Superintendent gives permission for some other 4-H, FFA, or FCCLA member to replace them. If the exhibitor or approved substitute is not present at time of sale, their project will not be sold. Also, no "add on" money will be given to the exhibitor in this situation. The exhibitor also forfeits ribbon money for which he/she is eligible.

12. Each exhibitor is responsible to see if they made the sale. The sale sheet will be posted on Saturday morning.

13. All 22 champion food items will be sold in groups of two (2), dispersed throughout the Junior Premium Auction. All food items will be champion items with pictures taken of all items sold. All champion food items will be sold throughout the Junior Premium Auction after all grand and reserve champion animals are dispersed. Slots for selling of champion food items will rotate each year. The first food item to sell this year will rotate to the bottom of the sale sheet and the other food items will move up.

14. The champion animals will sell in the following order for the 2021 Show: Commercial Steer, Market Hog, Market Goat, Market Lamb, Broilers, and Halter Steer. The first champion to sell this year will rotate to sell last next year. The second champion to sell this year will rotate to sell first next year.

15. No floor bids will be offered by the Karnes County Youth Show. It is the exhibitor's responsibility to remove their animals from the show premises by Saturday morning at 12 noon.

16. No alcoholic beverages may be given to buyers as gifts from the exhibitor during the auction.

17. No gifts/baskets can be given to the buyers during the auction, with the exception of the 22 baked items that are auctioned. Those baked item exhibitors may give their buyer a baked item in a KCYS food container. NO EXCEPTIONS!

18. The final lot of the Junior Premium Auction will be the Grand Champion Adult Food item. The money raised for the final item will go into the scholarship fund.

In either of these two circumstances or in the case of an emergency, the Division superintendent must use his/her discretion whether to allow the substitute exhibitor.
