January 8, 2021

Dear Parent or Guardian,

In keeping with Karnes City ISD's practices to respond to COVID-19, we are notifying all students, families and staff, that there is one student who is confirmed to have COVID-19. Due to privacy requirements, we will not be releasing the name of the individuals.

Please be aware that all direct/close contacts have been contacted. The local health has been notified and will begin a case investigation. We do not have reason to believe that those who were not in close contact with the infected individuals have reason to be concerned.

Any of the following symptoms may indicate a possible COVID-19 infection:

- Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with a fever.

If you are a member of the KCISD community and begin experiencing any of these symptoms we encourage you to contact your physician. We encourage anyone in the KCISD community who is lab-confirmed to have COVID-19 to please notify our school nurse by contacting 830-780-2321.

Thank you,

Hector Madrigal
