August 12, 2022

Dear Parent or Guardian,

In keeping with Karnes City ISD's practices to respond to COVID-19, we are notifying all students, families and staff, that there are 2 students who are confirmed to have COVID-19. Due to privacy requirements, we will not be releasing the name of the individuals.

The local health has been notified and will begin a case investigation.

Any of the following symptoms may indicate a possible COVID-19 infection:

- Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with a fever.

If you are a member of the KCISD community and begin experiencing any of these symptoms we encourage you to contact your physician. We encourage anyone in the KCISD community who is lab-confirmed to have COVID-19 to please notify our school nurse by contacting 830-780-2321.

Thank you,

Hector Madrigal
